## DAHLIAS FOR 1941

### GREETINGS TO OUR DAHLIA FRIENDS AND CUSTOMERS.

We take great pleasure in handing you our 1941 catalogue. We have added a number of new varieties this year and discarded some old ones, and all are quoted at the lowest possible price. Look them all over and send us your order and we will be pleased to serve you. We especially desire to call your attention to the first three on the list. These fine varieties are new 1940 and 1941 introductions and come to us highly recommended.

#### Roots Plants

Jessie King, IC, This incurved cactus comes from England and was introduced in the U. S. A. for the first time last year. (Maroon-red with wine suffusions. A nine inch bloom on good stems. A vigorous grower and a good bloomer. Honor Roll dahlia --	\$2.00
All-American, SC, Mulberry rose suffused salmon with wax yellow at base of petals. The petals twist somewhat and point in all directions. A six foot bush covered with immense blooms on good stems. Vigorous grower. This is the only dahlia introduced this year that received mention on all three honor rolls -----	4.50
Crowning Glory, IC to SC, This dahlia upon opening appears somewhat on the semi-cactus type, but as it develops the edges of the petals fall back and roll forming quills which gradually incurve. Rose pink with cream center. Twelve inch blooms on good stems. Very artistic formation. Honor roll dahlia. New 1941 -----	5.00
We offer one plant each of the above three varieties, postpaid for \$9.00. And we will also include a plant of Amy Ballego free. We do not believe this offer can be equalled on these late introductions. Give them a trial.

Our gardens have been Federal and State inspected, and have been found apparently free of dangerously injurious insects and plant disease.

As in former years we have tried to prepare an expensive list, no fancy pictures or descriptions. Compare our prices with other catalogues, and you can easily see how savings have been passed on to you.

We are members of The American Dahlia Society and The West Virginia Dahlia Society.

This year we are again growing a number of foreign dahlias and trying them out. This year they come from Australia. We extend you a cordial invitation to visit our gardens during the growing season and see these new varieties perform. Also we have a number of our own seedlings that may be of interest. Our gardens are located 5 miles east of Fairmont on the Winfield Road at the village of Winfield. Visitors are always welcome.
